

## AGREEMENT

THIS AGREEMENT entered into this 1st day of July, 2007, by and between PALO ALTO COUNTY, IOWA SECONDARY ROAD DEPARTMENT, hereinafter referred to as the "Employer", and LOCAL UNION 2003, PUBLIC, PROFESSIONAL & MAINTENANCE EMPLOYEES, STATE OF IOWA, IBPAT, AFL-CIO, hereinafter called the "Union". Throughout this Agreement, wherever the word "Act" appears, this refers to the Iowa Public Employment Relations Act.

## PREAMBLE

The Employer has endorsed the practices and procedures of collective bargaining as a fair and orderly way of conducting its relations with its employees insofar as such practices and procedures are appropriate to the functions and obligations of the Employer to retain the right effectively to operate in a responsible and efficient manner and are consonant with the paramount interest of the Employer and the County residents.

It is the intention of this Agreement to set forth the entire Agreement of the parties covering employment conditions where not otherwise mandated by a statute or ordinance, to maintain and increase individual productivity and quality of services, to prevent interruptions of work and interference with the efficient operations of the Employer, and to provide an orderly and prompt method for handling and processing grievances.

The parties recognize that this Agreement is not intended to modify any of the discretionary authority vested in the Employer by statutes of the State of Iowa, except as controlled by this Agreement.

The Employer and the Union agree that there will be no unlawful discrimination against any employee as to hiring or termination, wages, training, upgrading, promotion, transfers, layoff, discipline, or otherwise because of race, creed, color, national origin, sex, age, religion or physical disability, or membership or nonmembership in the Union.

ARTICLE 1  
RECOGNITION

The Employer hereby recognizes the Union as the exclusive bargaining representative for all of the Secondary Road Department regular full-time County Road maintenance employees including Survey Crew, Rodman, Foreman, Inspectors and all other personnel that come under the Department, which excludes all supervisory and confidential employees as defined by the Act, including all Engineer's Assistant, E.E.O. Officer and Secretary.

## ARTICLE 2 SEPARABILITY AND SAVINGS

If any provision of this Agreement is declared by the proper legislative, administrative, or judicial authority to be unlawful or unenforceable, all other provisions of this Agreement shall remain in full force and effect for the duration of this Agreement. Upon the issuance of such decision, the parties agree to negotiate a substitute of the invalidated provision.

## ARTICLE 3 EMPLOYER RIGHTS

It is recognized that, except as expressly stated herein, the Employer shall retain whatever rights and authority as are necessary for it to operate and direct the affairs of the Employer in all of its various aspects, including, but not limited to, the right to direct the working forces; to plan, direct and control all the operations and services of the Employer; to determine and implement the methods, means, assignments, number and organization of personnel by which such operations and services are to be conducted; to assign and transfer employees; to schedule working hours and to assign overtime; to determine whether goods or services shall be made or purchased; to hire, promote and demote employees, to suspend, discipline, and discharge employees for proper cause, to relieve employees due to lack of work or other legitimate reasons; to make and enforce reasonable rules and regulations; to change or eliminate existing methods, equipment or facilities; to maintain the efficiency of governmental operations; to take such action as may be necessary to carry out its missions; to initiate, certify, and administer its budget; and to exercise all powers and duties granted the Employer by law.

## ARTICLE 4 NO STRIKE

Section 12 of the Public Employment Relations Act (Chapter 20, Code of Iowa, 1987) shall be considered part of this Agreement.

## ARTICLE 5 GRIEVANCE PROCEDURE

The investigation of processing of a grievance by the Employee Organization representative(s) shall be carried out in a manner which does not interfere with normal operations of the Employer. Time spent by an employee on a single complaint shall be without pay unless permission is requested from the Employer in advance, and approved.

Section 1. Time Limits -- If a grievance is not presented within the time limits set herein, it shall be considered waived. If a grievance is not appealed to the next step within the specified time limit or any agreed extension thereof, it shall be considered settled on the basis of the Employer's last answer. If the Employer does not answer a grievance or an appeal thereof within the specified time limits, the grievant may elect to treat the grievance as denied at that step and immediately appeal the grievance to the next step. The time limit in each step may be extended by mutual written agreement

between the Employer and grievant. More than one grievance may be heard by the same arbitrator only by mutual written agreement of the parties.

Section 2. Step One -- Consistent with the intent of the parties that a grievance should be resolved at the lowest supervisory level, a grievance shall first be taken up by the grievant at the lowest appropriate supervisory level, normally with the immediate supervisor. The grievance shall be discussed orally, but the grievant shall cite the provision(s) of this Agreement allegedly violated. Step One must be taken within fifteen (15) working days of the incident complained of. The immediate supervisor shall have five (5) working days to investigate the grievance and respond to it.

Section 3. Step Two -- If the disposition of grievance in Step One is not satisfactory to the grievant, he/she shall make written report on a copy of the Grievance Form attached to this Agreement, and submit it to the Department Head within five (5) working days after the response from the immediate supervisor. The Department Head shall schedule a conference with the grievant and the immediate supervisor within ten (10) working days of receipt of the complaint. Following the aforesaid conference, the Department Head shall investigate the grievance, and respond to it in writing within five (5) working days.

Section 4. Step Three -- If the grievance is not settled in accordance with the foregoing procedure, the grievant or Employee Organization may, within five (5) working days after receipt of the answer in Step Two, invoke the impasse procedure for the purpose of selecting an arbitrator as specified in this Agreement.

#### ARTICLE 6 AUTHORITY OF ARBITRATOR

The arbitrator shall have no right to amend, modify, nullify, ignore, add to or subtract from the provisions of this Agreement. He shall consider and decide only the specific issue submitted to him or her in writing by the Employer and the employee or Employee Organization, and shall have no authority to make his or her decision on any other issue not so submitted. The arbitrator shall be without power to make decisions contrary to or inconsistent with or modify or vary in any way the application of law, rules or regulations having the force and effect of law. The arbitrator shall submit in writing his or her decision within twenty (20) days following the closing of the hearing or the submission of briefs by the parties, whichever is later, unless the parties agree to an extension thereof. The arbitrator's decision shall be based solely upon his or her interpretation of the meaning or application of the expressed terms of this Agreement to the facts of the grievance presented.

The arbitrator shall not order back pay in any case for a period of more than thirty (30) working days prior to the date the grievance was initiated. All awards of back pay shall be limited to the amount of wages the employee(s) would have earned from his or her employment with the Employer, but not in excess of the period above defined, less any other compensation for personal services that he or she has received from any source during said period.

No decision of an arbitrator or of the Employer in any grievance case shall create the basis for retroactive adjustment, or other adjustment, in any other case.

No arbitrator shall decide more than one grievance on the same hearing or series of hearings except by mutual agreement between the parties.

## ARTICLE 7 EMPLOYMENT

Each employee shall be considered as on probation for a period not to exceed three (3) months from the date of employment. The three (3) month probationary may be extended an additional three (3) months by written notice to the probationary employee, the Union Steward, and the Union Representative outlining the cause for the extension. Any employee may be terminated with probable cause during the probationary period without right of appeal. Upon satisfactory completion of the probationary period, the employee shall be entitled to all rights and privileges granted all permanent employees and the terms of employment shall start as of the date of employment.

Permanent employment status is granted upon satisfactory completion of the probationary period. Permanent employees are expected to work their normal workweek every week except for approved leaves of absence.
